when your dreams become a reality

Katy Richardson, Founder

NEIGHBORHOOD barre™ was founded by Katy Richardson. Katy is a certified Yoga instructor and graduated from Samford University with a Bachelor of Science in Business Administration, concentrating in Finance, and a secondary degree in Accounting. She embraced a healthy and active lifestyle from a young age participating in both cheerleading and outdoor sports. Her love for cheerleading carried over into her college years where she cheered four years at Samford University. After college she found interest in non-traditional forms of exercise like yoga and pilates.

She was introduced to barre fitness in 2009 and began pursuing and training in a variety of different methods. In 2011 Katy opened the very first NEIGHBORHOOD barre™ in Knoxville, TN. Not only does she still own her original location, but you will still find her teaching daily at her studio. Katy has seen the change it has made in her own body which is why she believes NB is for every BODY.
